

Chemical Scales

We provide scales starting from low end to industrial strength. Our heavy-duty mechanical, hydraulic, electronic, and ultra sonic scales meet all chlorine & chemical weighing needs.

Cylinder Scales

Hydraulic - 4D Series

- 150 lb Cylinder Scale
- Available in Single or Dual
- 5 Year warranty
- Safely monitor the amount of chemicals used and the amount remaining
- Prevent under and overfeeding
- No power required
- Chlorine, Sulfur Dioxide and Ammonia Cylinders

Electronic - GR Series

- 150 lb Cylinder Scale
- Single or Dual
- 5 year warranty
- Safely monitor the amount of chemicals used and the amount remaining
- SOLO G2 Indicator allows up to 2 channels
- 4-20mA Output
- NEMA 4X Enclosure
- Chlorine, Sulfur Dioxide & Ammonia cylinders

Ton Container Scales

Hydraulic - 6, 8, & 12 D Series

- Safely track Chlorine usage and tank levels
- Warn of dangerous overfeed conditions
- Prevent system from running empty
- Optional 4-20mA remote monitoring reduces operator exposure to Chlorine
- Built-in roller trunnions allows for easy rotation

Electronic - DR Series

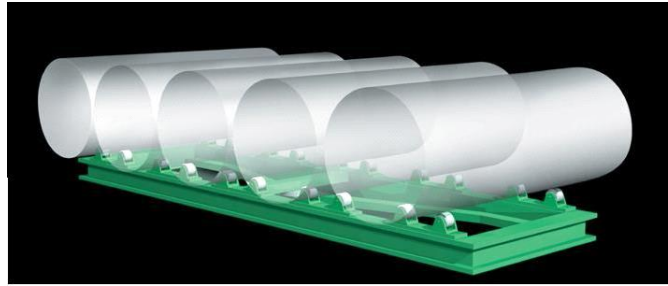

- Built-in roller trunnions for easy rotation
- 4-20mA Outputs
- SOLO G2 allows up to 2 channels
- NEMA 4X Enclosure
- Key pad operation
- 0-100% bar graph display
- Diagnostics menu allowing the user to calibrate the indicator without the use of test weights

Scales Bulletin, Pg 1 of 4, 7/2020

Multi-Ton Scales

Hydraulic

- Century Dial comes in 6", 8.5", 12", or 18"
- 5 year warranty
- Capacity up to 8000 lbs
- Quick disconnect
- No power required
- Platform with roller trunnions
- Chlorine, Sulfur Dioxide, & Ammonia Cylinders

Electronic

- Optional Indicators
- Comes in Single or Dual
- 5 year warranty
- SOLO G2 Indicator allows up to 2 channels or WIZARD 4000 allows up to 4 channels
- NEMA 4X Enclosure
- Chlorine, Sulfur Dioxide, & Ammonia Cylinders

Solo G2

Wizard 4000

Single Mechanical –

Mdl#: DET-437

- Economical
- Eye-level mechanical balance beam scale without height rod
- Die-cast weight balance beam, aluminum on black insert, easily read from either side
- Platform cover easily removes for cleaning
- Weight capacity is 400 lbs
- Limited Warranty

Dual Mechanical –

Mdl#: 2330

- Manufactured with SS hardware
- 0.5% FS accuracy
- Container positioning not critical
- 4" mechanical mounted on a 5' high post
- For weighing 12" diameter gas cylinders
- 0.5% rated capacity
- Range display of 0-150 lbs
- Tare adjust range 0-150 lbs
- Weight 611 lbs

Day Tank Scale

- Heavy-duty platform scale available with chemical resistant Tuf-Coat finish or in 316 stainless steel
- Adjustable tank anchoring/restrain clips mounted directly to the scale platform
- Restraint clips provide lateral stability and can be used in conjunction with our hold down straps to further secure the tank for extreme protection

Drum Scale

- Standard models accept drums or carboys from 18" to 24" in diameter (approx. 30-55 gallon drums)
- Low profile, corrosion resistant epoxy power coated platforms
- Also available in 316 Stainless Steel

Available Indicators

Hydraulic

Century Dial Indicator

- Self-powered and ideal for remote locations
- Optional 4-20mA Output
- Available in 5 sizes, from 6" – 18"
- Can be remote mounted, up to 200' from scale

Electronic

Solo G2

- Allows up to 2 channels
- 4-20mA Output
- NEMA 4X Enclosure
- 110 or 250 VAC, 5W

Wizard 4000

- Allows up to 4 channels
- Up to four 4-20mA Outputs
- NEMA 4X Enclosure
- 110 or 240 VAC, 5 w

Carboy-Scale

- For Portable and stationary drums or carboys from 5 to 55 gallons
 - Low Profile
 - Corrosion resistant platform allows for safe and easy loading and unloading of drum packed chemicals
-

IBC Tote Scale

- Four portable tote bins, stackable tote bins and intermediate bulk containers up to 1000 gallons
- Heavy duty Tuf-Coat protected steel platform
- Adjustable backstop on the platform allows the tote to be rapidly placed in the same position each time for optimum accuracy

Available Indicators

Hydraulic

Century Dial Indicator

- Self-powered and ideal for remote locations
 - Optional 4-20mA Output
 - Available in 5 sizes, from 6" – 18"
 - Can be remote mounted, up to 200' from scale
-

Electronic

Solo G2

- Allows up to 2 channels
- 4-20mA Output
- NEMA 4X Enclosure
- 110 or 250 VAC, 5W

Wizard 4000

- Allows up to 4 channels
- Up to four 4-20mA Outputs
- NEMA 4X Enclosure
- 110 or 240 VAC, 5 w
